

NOTICE OF PUBLIC HEARING

Date: August 19, 2021
Time: 7:00 p.m.
Location: 910 Milam St., Columbus, TX

NOTICE OF HEARING ON PROPOSED DESIRED FUTURE CONDITIONS ADOPTED BY GROUDWATER MANAGEMENT AREA 15

Notice is hereby given that a public hearing by the Colorado County Groundwater Conservation District ("District") will be held on the 19th day of August 2021 at 7:00 p.m. at the District office located at 910 Milam Street, Columbus, TX, at which time the following subjects will be discussed:

The Colorado County Groundwater District is currently receiving public comments on the proposed desired future conditions for the aquifers that were recently adopted by Groundwater Management Area 15 under §36.108, Texas Water Code. Groundwater Management Area 15 includes the groundwater conservation districts as follows: Aransas County, Bee, Calhoun County, Coastal Bend, Coastal Plains, Colorado County, Corpus Christi ASR, Evergreen, Fayette County, Goliad County, Pecan Valley, Refugio, Texana, and Victoria County. The proposed desired future conditions and supporting materials for the area aquifer are available at the District office or from the following website: www.vcgcd.org/groundwater-management-area-15.html. The District will hold a public hearing on the proposed desired future conditions on August 19, 2021, at 7:00 p.m. at the District office.

The Desired Future Conditions for Colorado County, expressed as an average drawdown between January 2000 and December 2080, are as follows:

- 17 feet drawdown of the Chicot and Evangeline Aquifers; and,
- 25 feet drawdown of the Jasper Aquifer.

Submit comments, questions, and requests for additional information regarding the proposed desired future conditions of Colorado County to Jim Brasher, General Manager, Colorado County Groundwater Conservation District at 979-732-9300, 910 Milam St., Columbus, TX 78934, or jim@ccgcd.net. Comments will be accepted through August 23, 2021.
