

Consanguinity/Affinity Chart

INSTRUCTION:

For Consanguinity (relationship by blood) calculations:

Place the public officer/employee for whom you need to establish relationships by consanguinity in the blank box. The labeled boxes will then list the relationship by title to the public officer/ employee and the degree of distance from the public officer/employee.

Anyone in a box numbered 1, 2, or 3 is within the third degree of consanguinity. Nevada Ethics in Government Law addresses consanguinity within the third degree by blood, adoption, or marriage.

For Affinity (relationship by marriage) calculations:

Place the spouse of the public officer/employee for whom you need to establish relationships by affinity in the blank box. The labeled boxes will then list the relationship by title to the spouse and the degree of distance from the public officer/employee by affinity.

A husband and wife are related in the first degree by marriage. For other relationships by marriage, the degree of relationship is *the same as the degree of underlying relationship by blood*.
